

Restricted Marketing Zone

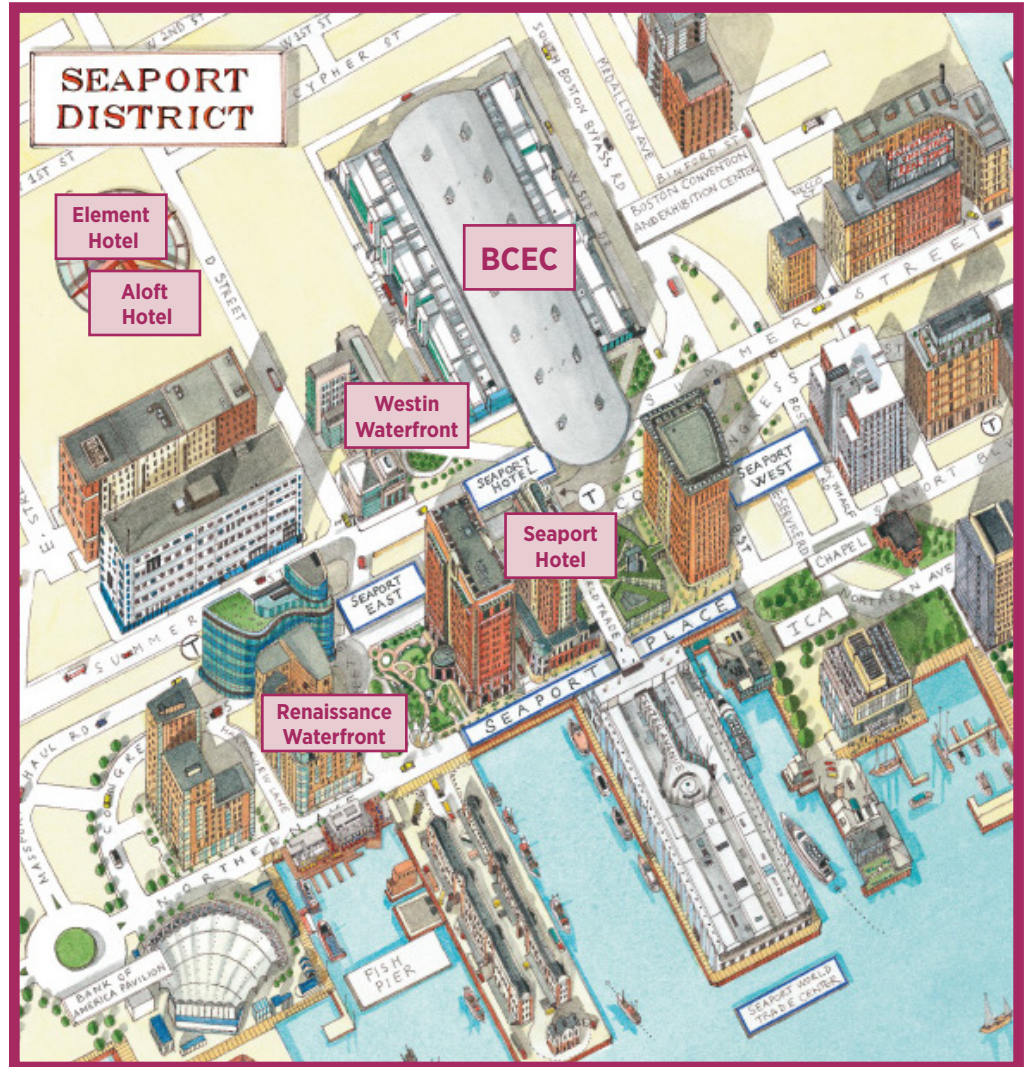

Due to comments from our exhibitors and attendees, exhibiting companies will be restricted from marketing activities unapproved by DIA in the vicinity of the Boston Convention and Exhibition Center (BCEC). This includes the Westin Waterfront Hotel and surrounding areas, as displayed within the red box to the right.

All marketing activities must be approved in writing by DIA in advance.

Companies found in violation of this policy will be required to cease the unapproved activity and/or remove all unapproved advertising materials immediately. Violation of this policy will also impact booth selection for DIA 2019 in San Diego, CA. A company that has yet to select their 2019 booth location will forfeit their scheduled selection time and be permitted to select booth space at the conclusion of DIA 2018. A company which has already selected its booth location will have that location vacated and be permitted to reselect booth space at the conclusion of DIA 2018. In addition, the company will receive a 50% reduction in Exhibit Booth Assignment Order Points for DIA 2020 in Washington, DC.

Marketing activities that will not be allowed in this zone include, but are not limited to:

- Hanging Banners
- Street Teams
- Motor Vehicles
- Segways
- Street Decals
- Literature Distribution
- Any Marketing Activity

All marketing activities must be approved in writing by DIA in advance.

DIA reserves the right to halt any unapproved marketing activity and require the removal of any unapproved advertising materials.
