

# DIA 2019

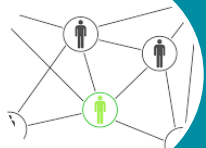

GLOBAL ANNUAL MEETING  
SAN DIEGO | JUNE 23-27

## Student Program: Look Book

A guide highlighting the DIA Global Annual Meeting for Students and Emerging Professionals.

# In this Look Book

About DIA and the Global Annual Meeting

Navigating the DIA Global Annual Meeting

Summary of Learning Formats, Session Highlights, and Networking

Registration and Travel Information

This book is filled with a multitude of reference information for students who are considering attending the largest, longest-running event in the life sciences industry.

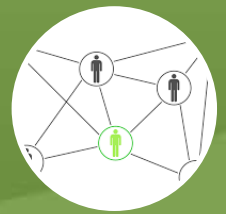

DIA

Neutral. Global. Multidisciplinary.

A large, diverse group of people, including men, women, and children of various ethnicities, are arranged in a large circle on a white background. In the center of this circle is a large teal circle containing white text. The people are dressed in casual, everyday clothing, and their shadows are cast on the white surface, suggesting a bright, overhead light source.

DIA is a **global** association that mobilizes life science professionals from **across all areas of expertise** to engage with patients, peers, and thought leaders in a **neutral** environment on the issues of today and the possibilities for tomorrow.

# More than a Meeting

## A valuable investment for your career path.

The DIA Global Annual Meeting is an opportunity for students to learn professional development skills, gain industry knowledge, and establish key contacts that will be a valuable investment for their career path.

# The DIA Global Annual Meeting

Everyone passionate about working at the global intersection of science, healthcare, and regulation come together at DIA. No barriers, just dialogue among thought leaders and regulators who may not otherwise connect.

As the largest, longest-running event in the life sciences industry, this gathering is designed to foster the international exchange of actionable insights to improve health globally through the advancement of lifesaving medicines and technologies.

# Reasons to Attend the DIA Global Annual Meeting

Access New Knowledge that Stimulates  
New Thinking

Leverage Communities for Specific  
Interest Area Networking

Connect with Global Influencers to  
Collaborate on Actionable Solutions

Address Specific Career Development Needs

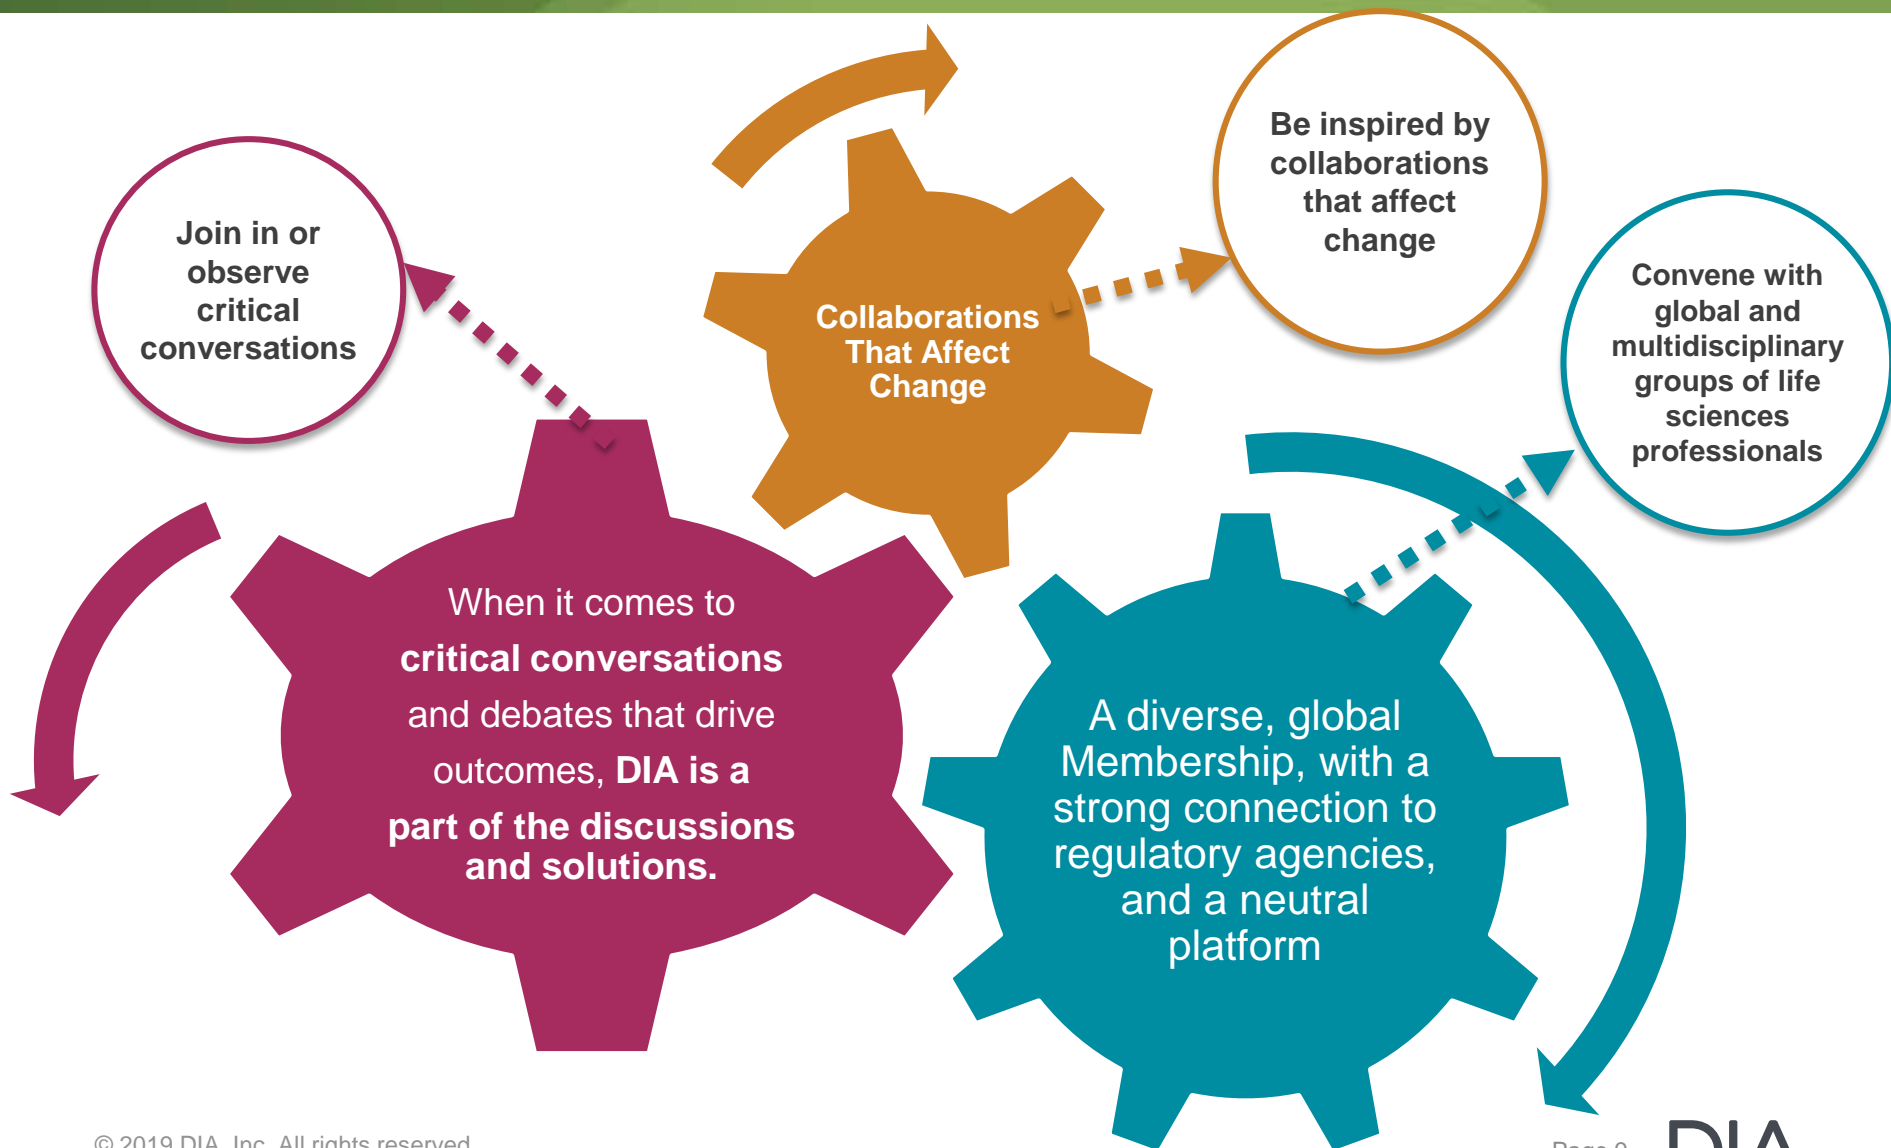

# What Past Student Attendees had to Say

- ▶ “The DIA Annual Meeting Program Student Poster Session was **an incredible experience!** I was able to **share my research on a platform that included academia, industry and health regulatory agencies.** Being accepted as a student presenter was an award itself, but the experience of being a student presenter far superseded my expectations.”
- ▶ “It was **wonderful to meet other students who share my passion for our industry** and to learn about their exciting research projects, as well as to share my own project with them and the larger DIA community.”
- ▶ “Presenting my student research at DIA has been one of the **most rewarding experiences in my career thus far!**”
- ▶ “Participating in the conference allowed me to not only present my research and its importance, but also **network and connect with leaders in my field** and learn a lot from attending fascinating sessions. As a **young researcher at the beginning of my career attending the conference provided me with opportunities that will affect and shape the career path I decide to choose.** I am very grateful for this opportunity.”

2:00-3:15 PM	Success in the Workplace: What does that Mean and How Can You Achieve it?
3:15-4:15 PM	Refreshment Break
4:15-5:15 PM	Demystifying Basic Statistical Concepts for Anyone Involved with Clinical Trials

# Summary of Learning Formats, Session Highlights, and Networking

DIA

# Complimentary Emerging Professional and Student Forum

**Sunday June 23, 2019 11:00 AM - 12:30 PM**

This forum is a unique opportunity for students and young/emerging professionals to meet, network, share and learn about career opportunities and participate in small group discussions and activities.

## Learning Objectives

Navigate the DIA Annual Meeting effectively; Identify emerging career trends; Develop awareness of tools and skills that may help in their career path.

### Chair

Nancy Pire Smerkanich, DrSc, Assistant Professor,  
Department of Regulatory & Quality Sciences, USC School of, University of Southern California

### Panelists

Amelia Rose Spinrad, MS, Regulatory Knowledge Support Administrator,  
USC International Center For Regulatory Science

Dan Tierno, MA, MBA, Associate Director,  
Global Clinical Data Sciences and Analytics, Bayer

Meredith Y. Smith, PhD, MPA, Global Risk Management Officer,  
Global Patient Safety, Amgen Inc.

Johnson & Johnson

# Learning Formats

**DIA 2019**  
GLOBAL ANNUAL MEETING  
SAN DIEGO | JUNE 23-27

**How You Learn Matters: Maximize Your Time and Create a Custom and Memorable Learning Experience by Mixing and Matching Our Various Learning Formats**

## **DIAMond Sessions**

- Acclaimed panelists from around the world participate in open conversations on controversial topics

## **Concurrent Educational Sessions**

- Panel discussions, didactic presentations, and workshops
- Traditional and interactive educational formats
- 60-75 minutes
- More than 175 sessions spanning 13 educational tracks

## **Poster Sessions**

- Walk through a gallery of visually stimulating science and new best practice recommendations
- A great opportunity to view research from a diverse group of scientific professionals
- Three Poster Sessions: Monday, student posters are on display and Tuesday/Wednesday, professional posters are on display

## **Content Hub**

- Led by DIA Community Members
- 30 attendees, 30 minutes
- Designed to provide attendees with rapid insight
- Relaxed, casual learning environment

## **Engage and Exchange**

- Collaborative learning
- Peer-to-peer information exchange
- 10 minute presentation/30 minute small group discussions/20 minutes of sharing
- 50 attendees, 45-60 minutes

## **Community Round Tables**

- Led by DIA Community Members
- Discussions are based off of the concurrent educational sessions
- Intimate and conversational, 60 minutes
- Designed to carry learning and debate from sessions to real-life application and discussion

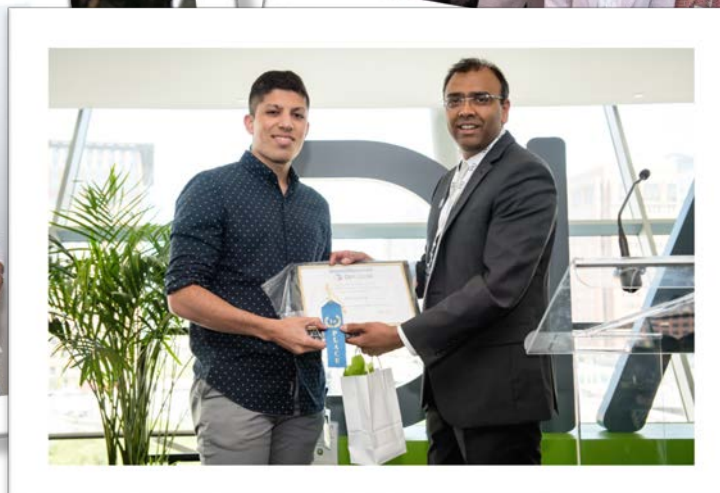

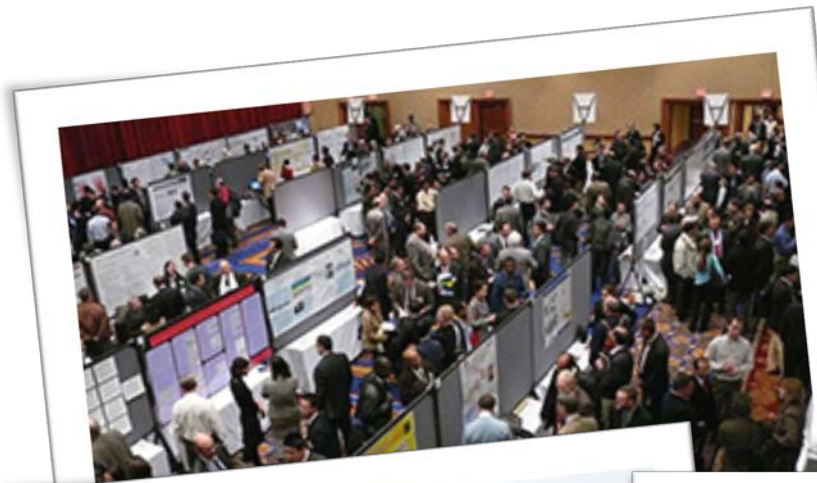

## **Innovation Theaters**

- Exhibitor-led and sponsored
- Held in the Exhibit Hall
- Limited seating

# Poster Presentations

- ▶ Students and Life Sciences Professionals from all fields related to the mission of DIA will participate in 3 different poster sessions. To include live presentations by top poster authors.

# Non-traditional Learning/Networking Experiences

## Engage and Exchange

- PEER-to-PEER Educational Sessions
- 50 attendees

## Content Hub

- Led by DIA Communities
- Designed to have high interaction between audience and speaker
- Relaxed, casual learning environment

# DIA Community Zone

DIA Community members host round table discussions inspired by sessions from within the program agenda. Sessions that have an associated round table will be noted within the final program.

# DIAMond Sessions

- ▶ Thought-provoking, worldwide issues deconstructed by acclaimed panelists representing multiple stakeholders from around the world in this growing ecosystem of life sciences.
- ▶ DIAMonds represent rare opportunities to listen to and engage with a variety of key stakeholders participating in open conversations on controversial topics such as: diversity in clinical trials, international regulatory convergence, value and access, patient engagement, radical technologies, personalized medicine, real world evidence, an FDA forum, and EMA/FDA question time.

# Registration and Travel Information

DIA

# Registration Information

- ▶ June 6, 2019: Student Rate ends
- ▶ June 13, 2019: Last day to Register

Download and complete the [Student Registration Form](#) and you will be contacted by DIA's customer support team to complete your registration and ensure eligibility for the student rate.

## Students

Registration Rates: \$250

Registration Rates (after June 6): \$400

*\*The deadline to submit an application as a student or patient advocate is June 13.*

### Travel and Exclusive Discount Information

The DIA 2019 Global Annual Meeting will be held at the San Diego Convention Center, 111 West Harbor Drive, San Diego, CA 92101

#### Getting to San Diego

The San Diego International Airport is ideally located three miles from downtown San Diego and 10 minutes away from the San Diego Convention Center. It serves 60+ international and domestic nonstop markets, with 500 daily flights to destinations across the globe, and brings more than 18 million visitors to America's Finest City.

#### Airline Discounts

United and Delta Airlines are offering DIA 2019 attendees special meeting discounts of 2-10% off published fares, based on the booking class of service.

- Book online at [united.com/meetingtravel](https://united.com/meetingtravel) and use **Offer Code: ZFYK888299**.
- Call your travel professional or United Meetings at **+1.800.426.1122** and refer to **Z Code: ZFYK** and **Agreement Code: 888299**.

- Book online at [here](#), select "Book a Trip", and use **Meeting Event Code: NMSN5**.
- Call your travel professional or Delta Meeting Network at **+1.800.328.1111**, Monday-Friday, 7:00AM-7:00PM CDT, and refer to **Meeting Event Code: NMSN5**.

# Networking

## Annual Meeting Orientation

**Monday, June 25 | 7:30-8:15AM**

First time at the DIA Annual Meeting? We encourage you to attend the Annual Meeting Orientation to learn how to make the most of your time at the meeting and meet fellow first-timers.

## DIA Welcome Reception

**Monday, June 25 | 4:30-6:00PM | Exhibit Hall**

Network with 6,000+ attendees and more than 400 exhibiting companies at the DIA Opening Reception, held in the Exhibit Hall.

## DIA Communities Luncheon

**Tuesday, June 26 | 12:00-1:30PM | Ballroom Lobby**

DIA Members stay connected even after a meeting ends. Keep up-to-date on hot topics and Community-generated content and get engaged, driving insights into action and evolving your field of work. Attend the DIA Community Luncheon to learn about the DIA Communities and their members.

# CISCRP Medical Heroes Appreciation 5K

- ▶ **Monday, June 24 | 6:30-7:30AM**
- ▶ The Center for Information and Study of Clinical Research Participation (CISCRP), will be hosting a Medical Heroes Appreciation 5K Run and Walk in San Diego to celebrate the volunteers who give the gift of participation in clinical research. Proceeds from the event will support education and outreach programs to patients and families interested in learning more about the clinical research process.

If you have not yet registered for the 5K, you can still do through the [CISCRP website](#).

# Quick Tips from Past Students

1. **Attire:** Dress business casual
2. **Business cards:** If you have them, bring them and if you don't, consider printing a few for the meeting
3. **Be visible:** Attend sessions and networking activities
4. **Make connections:** This is a huge networking opportunity! Exchange contact information.
5. **Be strategic:** read the final program book in advance by downloading a copy from the [www.diahome.org/dia2019](http://www.diahome.org/dia2019)
6. **Reference:** Take advantage of the Final Program
7. **Work the exhibits and introduce yourself:** Talk with at least 5 different exhibitors each day.
8. **Learn something new:** Attend at least 2 sessions on topics new to you
9. **Mix it up:** Participate in at least 1 workshop and 1 forum
